

**UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

MATTHEW GREEN, ET AL.,

Appellants,

v.

UNITED STATES DEPARTMENT
OF JUSTICE, ET AL.,

Appellees.

CASE NO.: 23-5159

**APPELLANTS' UNOPPOSED MOTION
TO EXTEND BRIEFING SCHEDULE**

Pursuant to Federal Rule of Appellate Procedure 26(b) and the Circuit Rule of the United States Court of Appeals for the District of Columbia Circuit 26(b), Appellants Matthew D. Green, Andrew “Bunnie” Huang, and Alphamax, LLC (“Appellants”), respectfully move for an extension of time within which to file briefings in this appeal. Counsel for Appellees U.S. Department of Justice, Library of Congress, U.S. Copyright Office, Carla Hayden, Shira Perlmutter, and Merrick Garland (“Appellees”) has informed counsel for Appellants that it does not object to, and will not oppose, this motion provided that Appellees’ deadline is also extended as requested herein.

The requested extension would modify the filing deadline for Appellants’ opening brief, Appellee’s brief, and Appellant’s reply brief as follows:

	Current Deadlines	Proposed Deadlines
Appellants' Brief	Oct. 18, 2023	Nov. 29, 2023
Appendix	Oct. 18, 2023	Nov. 29, 2023
Appellees' Brief	Nov. 17, 2023	Feb. 2, 2024
Appellants' Reply Brief	Dec. 8, 2023	Feb. 23, 2024

Appellants have not previously moved for or been granted any days of extension in this appeal.

Appellants seek this extension for good cause, including competing deadlines that will interfere with the current schedule. In addition, several amici intend to file briefs in support of Appellants' opening brief, however, the amici working within academic calendars will have difficulty completing such briefs under the current schedule, which would have such briefs due on October 25, 2023. *See* Fed. R. App. P. 29(a)(6).

For the foregoing reasons, Appellants respectfully request that the Court GRANT this unopposed motion to extend the time to file Appellants' opening brief to November 29, 2023 and subsequently adjust the remaining schedule.

Dated: September 26, 2023

Respectfully submitted,

/s/ Brian M. Willen
